Welcome to Hope — A Wings of Fire Graphic Novel Fanfiction!
Just a short disclaimer before we begin: Wings of Fire doesn't not belong to me, is belongs to Tui T. Sutherland!! I claim no ownership of the series!

_____
First things first, thank you so much for reading this! It means the world to me that you're here, even if you just accidentally missclicked or something. This project hasn't been worked on for very long YET, but I'm very excited to begin!
A few clarifications:
1) This book has no relation to my other series, The Storm Dragon. The Storm Dragon is not fanfiction; it is my own original story.
2) Yes, I did draw the cover. And I draw everything else in here (unless otherwise stated).
3) Yes, this is a Wings of Fire Fanfiction, Graphic Novel, have you not learned that from the title???
4) Fanart is welcomed, as always... The ref of the main character, Tanzanite, is below:

(Base by Exoticmaze, fill by me)

_____-
Here's the cover:

Without background/logo:

This is Tanzanite! She's a female SkyWing.

Well, now then... I have nothing else to address, except the rules:
1) Dont trace, steal, use, or heavily refrence my art in this book without credit.
2) Read the rules.
3) Dont complain about the book. I take time out of my life to make these illustrations

4) Dont complain about the potentially cliche characters in the book, please just don't.
5) this book... may have some LGBTQ+ characters, so if you're not okay with that please go away

Alrighty that's it!
Have fun reading :)

SO, yeah this is part 1. Hope you enjoyed!

~Summary~

Tanzanite (the main character)'s mother is attacked by the guards of the SkyWing palace for a currently unknown reason. Tanzanite's mother is taken and presumably killed as Tanzanite's egg rolls down the cliff side. The guards try and search for Tan's egg but cannot find it, and eventually come to a stop. A few hours later, Tan's egg is found by a mysterious dragon. This is where Part 1 starts.

Ayyy! I got this part finished quicker than I expected, and I think it's like.. SORTA good quality? So yay!

~Summary~

In this part, Tanzanite introduces herself, and her uncle Squash. We learn that her current goal in life is to find out everything about her mother: where she came from, why she was taken, and if she was still alive or not.

Squash points out that she is looking troubled, and Tanzanite, hoping to avoid another awkward conversation, asks if she can be excused. Squash, though disappointed, allows her to leave the table. In the last frame, we see Tanzanite exiting the porch, where she and her uncle were having tea.

~Summary~

In this part, we meet Tanzanites best friend Brambling, who she has been investigating her mother with. After a quick conversation that includes them trying to figure out what to do next in their investigation, Squash, Tanzanites "father," calls her back to wash her teacup.

Hope you enjoyed! Also: note that I am taking a break from The Storm Dragon to focus on this. NOT discontinuing it, just taking a break. :)

~Author's note: I finally decided to pick this story back up, so I hope you guys enjoy! I've been working on these parts over the course of a few months, so there are some dramatic style changes that I hope you don't mind. Tell me your opinions in the comments, as well as ideas for the story if you'd like! (I am still working on the plot in some of the later chapters.)

Enjoy!

I finally completed this chapter! It's been in the works for a while and I'm pretty proud. I'm still figuring out the lineart and shading style that I'm going to use, though. Tell me if the storyline makes sense or not so far; also put any suggestions for the comic down below! I'll be working on a new cover soon ^^

Thanks for reading! Hope you enjoyed :)
